DETAILED ACTION

Allowable Subject Matter

The following is a statement of reasons for the indication of allowable subject matter: Applicant's response to amendment on 02/09/04 that, as to independent claims 1, 11, and 22, the prior art of record, taken alone or in combination, fails discloses or render obvious a machine-vision system for imaging an object comprising all the specific elements with the specific combination including of *an optics apparatus that images two or more views of the first side of the object without interference from the second side the object, wherein the two or more views of the first side include a first view along a direction substantially parallel to the primary optical axis running from the imager to the object and a second view along a direction substantially perpendicular to the primary optical axis* in combination with the rest of the limitation of claims 1, 11, and 22; and

As to independent claims 4, 7, and 31, the prior art of record, taken alone or in combination, fails discloses or render obvious a machine-vision system for imaging an object comprising all the specific elements with the specific combination including of *an optics apparatus that images two or more views of the first side of the object without interference from the second side the object, wherein the object includes a first major surface, the system further comprising a non-transparent divider background surface placed at or near the first major surface of the object in order to block, from one of views of the first side of a portion of the object, some portion of the second side of the object,*

to obtain images of features of the object only the first side of the object axis in combination with the rest of the limitation of claims 4, 7, and 31.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Examiner Sang Nguyen whose telephone number (571)-272-2425. The Examiner can normally be reached on Monday through Friday From 9:30 AM to 6:30 PM.

If attempts to reach the Examiner by telephone are unsuccessful, the Examiner's Supervisor, Mr. Frank Font, can be reached on (571) 272-2415. The fax number for the organization where this application or proceeding is assigned is (703) 872-9306.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703) 308-0956.
